3-DAYS CAMPING SAFARI: TARANGIRE, NGORONGORO & MANYARA

Day 0: Arrival Kilimanjaro Airport.

You will be meeting on arrival time usually at Kilimanjaro Airport if you arrive by international flight or in Arusha if you arrive by internal flight or shuttles bus from Nairobi or likewise. We will drive you to your hotel for a short safari briefing then dinner and overnight. Option if you arrive in the morning our safari drive will do town tour with you in Arusha / Moshi before safari.

Day 1: Drive Arusha town to Tarangire National Park

We will pick you up in the morning. Drive southwest towards the Tarangire National Park. The park has a diversity of landscapes including grass, acacia woodlands and forests and it is especially popular for its huge elephant herds and animals gathering at the river and swamps. Animals range from swarms of yellow breasted lovebirds to kudus, buffaloes, giraffes, zebras and impalas. Predators include lions, leopards and hyenas, while wild dogs are rare. In the late afternoon you will leave the park and drive to Manyara mto wa mbu nearby campsite,

FAKANA where you will spend the night in tents

Day 2: Driver into Ngorongoro Crater.

Wakeup for an early breakfast at the campsite, you will drive 45 minutes to ngorongoro gate from here we have 20 minutes to the view point here you can see the all crater. Drive down a steep trail into the crater floor. Its grass plains and acacia forest is the home of the almost species of animals found in the East African savannah. In only a few hours you might see all of the “Big Five” – lion, elephant, buffalo, rhino and leopard. After an extensive game drive and a picnic lunch inside the crater, you will leave the Ngorongoro Conservation Area and drive to Mto wa Mbu, where you will spend the night in the tents at FANAKA campsite.

Day 3: Drive to Lake Manyara National Park

After breakfast at your camp, you will drive via Mto wa Mbu town to Lake Manyara National Park for half day game drive .Lake Manyara national park with its shallow alkaline lake stretches along the base of the Rift Valley wall. Lake Manyara attracts thousands of birds, including huge flocks and flamingos both species. Other animals in the park include buffaloes, elephants, hippos and Masai giraffes as well as troops of boisterous baboons and monkeys in the forest. The park once became famous for tree climbing lions and if you are lucky to spot them you will be amazing by the site of these animals lounging on branches in the acacia trees. After a game drive you will have lunch inside the park the drive back to Arusha or Moshi.

End of the safari the African traces driver will take you to the airport for your flight back home / or option for climbing mountain Kilimanjaro.
